PROFESSIONAL SUMMARY

Aspiring Frontend Developer with a strong foundation in HTML5, CSS3, Bootstrap, JavaScript (ES6+), and React.js, passionate about building responsive, accessible, and user-friendly web applications. Currently pursuing Backend at Saylani Mass IT Training Center, where I continue to strengthen my technical skills through hands-on projects and practical assignments. Experienced in developing modern frontend applications, integrating REST APIs, and implementing responsive UI designs using industry best practices. Seeking a Frontend Developer Internship, or job to contribute to real-world projects, collaborate with experienced developers, and continue growing toward full-stack web development.

TECHNICAL SKILLS

Frontend	HTML5, CSS3, Bootstrap, JavaScript (ES6), React.js, API Integration, Responsive Web Design
Version Control	Git and GitHub
Currently Learning	Backend Development
Soft Skills	Problem-Solving, Leadership, Public Speaking (Urdu/English), Time Management

EDUCATION

Intermediate - Computer Science (ICS)

Hadaf College, Peshawar | Completed June 2026

Bachelor's - Computer Science (BSCS)

University of Peshawar, Peshawar | Expected Completion: September 2030

PROFESSIONAL TRAINING

Frontend Development Trainee

Saylani Mass IT Training Center, Peshawar | July 2025 - Present

- Completed structured training in HTML5, CSS3, Bootstrap, JavaScript (ES6+), and React.js through hands-on projects and practical assignments.
- Built responsive and interactive user interfaces while strengthening JavaScript problem-solving, debugging, and React.js development skills.
- Improved code quality, development efficiency, and collaboration through practical coding tasks, project-based learning, and peer discussions.
- Nearly expanding expertise in backend development by learning Node.js, Express.js, and RESTful API development.

PROJECTS & PRACTICAL WORK

Graphic Designer Portfolio

Developed a fully responsive portfolio website using HTML5, CSS3, and JavaScript with a strong focus on clean UI, mobile-first design, and cross-device compatibility. Integrated FormSubmit to enable contact form submissions without a backend.

Startup Website

Designed and developed a responsive startup website using HTML5, CSS3, and JavaScript with a focus on modern UI, performance, and mobile-first design. Integrated EmailJS to enable direct contact form submissions.

School Website

Built a multi-sections school website using HTML5, CSS3, and JavaScript, emphasizing responsive design, clean user interface, accessibility, and mobile-first development principles.

Personal Portfolio

Developed a personal portfolio website to showcase all my technical skills, soft skills and projects. The portfolio contains multiples sections and a brand color palette.

API-Based Practice Projects

Built multiple frontend applications using REST APIs and JSON data, including a Weather App, Country Information App, and E-Commerce Website. Strengthened skills in API integration, asynchronous JavaScript, DOM manipulation, and dynamic data rendering.

PROFESSIONAL DEVELOPMENT

Soft Skills Training

Completed a full Soft Skills Training Program under the PSEB project, "Prime Minister's Special Initiative for Youth Soft Skills Development," strengthening communication, teamwork, time management, problem-solving, professionalism, leadership, and the ability to work effectively under pressure.
